TERMS OF SALE
(Please Read Carefully)

1. BIDS BY MAIL, EMAIL, PHONE or FAX will be accepted until the closing date. All phone bids must be confirmed in writing on a signed bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.
2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot. Cataloging errors will be cheerfully and promptly corrected. **FLOOR BIDDERS MAY NOT RETURN ANY LOTS** including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 35 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIM OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 30 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. **Lots are not shipped until paid for in full.** Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact. Large miscellaneous or "bulk" lots cannot be returned for any reason.
3. **Successful floor and mail bidders are required to pay the full invoice amount before lots are delivered. Terms of this sale are strictly cash or an approved VISA or MasterCard (refer to Paragraph 5). Should payment be made by check (in any form), the auctioneer reserves the right not to deliver lots until funds have cleared, usually 14 business days.** First rate credit references and a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale. Any questions regarding the above policy should be made in writing to the auctioneer 7 days prior to the sale date. *Please note: Credit Cards will not be accepted for the purchase of Gold coins or Gold medals.*
4. **A 15% buyer's charge will be added to the successful bid price of each lot.** This 15% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 5% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogs.
5. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in **U.S. Dollars by International Check drawn on a U.S. bank** or by wire transfer to the account of Craig A. Whitford Auctions, c/o Comerica Bank, Lansing, Michigan. (As a convenience, invoices may be charged to your VISA or MasterCard accounts. Please supply account number, signature and expiration date on your Bid Sheet. *Refer to our terms and your Bid Sheet for further instructions.*)
6. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. (*Minimum charge of \$5.00 per parcel*). All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered airmail with return receipts and proper custom tags on overseas shipments.
7. SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented. **Sales Tax in the amount of 6% will be collected on all taxable lots delivered within the State of Michigan.**
8. TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below 60% of estimate will not be accepted. By placing a bid in this sale either in person, by agent, mail, email, phone or fax, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.

Dear Friends:

It is with great pleasure that we present to you our **40th Sale Anniversary** catalog brimming with a diverse selection of World, Canadian and United States coinage and exonomia. While numerically this is our 40th sale, we have been involved in over 100 numismatic and philatelic sales during the past 30 years, with many of you as clients for just as long. The rare coin market continues its climb and this fresh group of material will be certain to attract strong bids given the enthusiasm in the marketplace.

Inside you will find a broad array of World coinage singles, sets and collections from A to Z. The world offering is split into two sessions; the first a public sale offering, and the second, a mail bid only session. Please be sure to review both offerings for the items on your want list. The sale continues with a selection of Canadian coinage featuring key date type, five 1948 Silver Dollars, eight different Governor General Medals in Gold, plus a large and impressive Battle of Quebec Bicentennial Medal struck in 22k Gold.

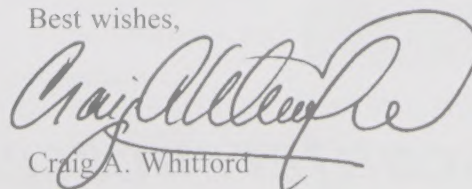

Our final public session is sure to whet the appetite of every bidder as it features a 40+ year collection of market fresh United States coinage including early type, key date and better singles, many in Uncirculated and Proof condition, sets and much more. The U.S. Gold offering is highlighted by both a 1795 and 1799 Eagle. You will also find three unique museum quality gold award medals including one presented to Antarctic Explorer Frank Wild by the American Geographical Society of New York in 1924. Rounding out this section is a wonderful offering of Americana, tokens and medals, pocket mirrors, coin banks and selected exonomia.

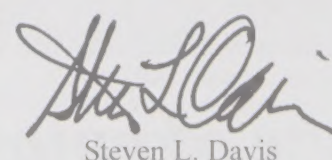

This sale is being conducted at the Okemos Conference Center, attached to the Comfort Inn in Okemos, Michigan. This venue offers easy access for both our out-of-town and Michigan clients. The facilities and staff are first rate and will provide you with a pleasant and enjoyable visit. Conference center and hotel information for reservations is located on the inside front cover of this catalog. In addition, if you are attending the sale, we invite you to join us for a lunch buffet. Please give our office a call if you are planning on joining us for lunch.

Your business throughout the years is greatly appreciated. With each sale we strive to bring you a unique offering of coinage and related collectibles. If you are interested in consigning with us for our 2008 auction schedule, please feel free to give us a call. We are here to serve your needs either as a consignor or bidder.

Now, without further hesitation, sit back and peruse the pages of the catalog before you, there is certain to be something of interest for everyone! As always, feel free to contact us with any questions you may have at any time.

Best wishes,

Craig A. Whitford

Woodbury Langdon was named by Mayor Grant to the first Rapid Transit Commission April 9, 1890, with August Belmont, Orlando B. Potter, William Steinway and John H. Starin. A steam railroad, running on a viaduct from the Brooklyn Bridge to Astor Place and in a subway from there to Forty-second Street, was the original recommendation of the Board. On November 19, 1896 he was appointed by Mayor Strong to succeed Seth Low on the new board of rapid transit commissioners, organized under the laws of 1894. The new board was charged with the responsibility of selecting the route, arranging the conditions and details and awarding the contract. The great underground railway system now in operation owes its beginning to the board's work. On October 27, 1904 the subway was formally opened from City Hall to 145th Street and Broadway.

John Robert Francis (Frank) Wild (1873-1939) Australasian Antarctic Expedition polar explorer and author of Shackleton's Last Voyage. Frank Wild was instrumental in a number of important Antarctic expeditions, spending over 20 years exploring the frozen continent, an adventure which is unsurpassed by other explorers.

Wild was on board the Discovery when it sailed for McMurdo Sound in 1901. He volunteered to join Scott's "British National Antarctic Expedition" in 1901, aboard the Discovery. In 1907, Antarctic Explorer Ernest Shackleton, chose Wild for the Nimrod expedition. During 1911 he joined Douglas Mawson's "Australian Antarctic Expedition" and commanded the Western Base. Later, Shackleton once again selected him for the "Imperial Trans-Antarctic Expedition" (1914-17) where he served as second in command, aboard the Endurance. The Endurance sank and the crew had to traverse increasingly broken-up sea-ice to Elephant Island. For nearly four months Wild and the majority of the crew remained on Elephant Island while Shackleton and a small party went for help. During 1921-1922, Shackleton requested him to take part in the Shackleton-Rowett expedition aboard the Quest. Frank Wild assumed command following the death of Shackleton before they had reached Antarctica.

Frank Wild died on the 19th of August 1939 in Klerksdorp, South Africa. He was the recipient of a number of awards, including the David Livingstone Medal offered here for his contributions to exploration and advancing geography. Antarctica landmarks named in honor of Frank Wild include: Point Wild, Mount Wild, Wild Icefalls and Cape Wild.

Incredible Smithsonian Institution Exceptional Service Award Medal in Gold

1357P. Smithsonian Institution Exceptional Service Award Medal, 1966. Gold, 14k, 267.8 grams, 63mm, design by French sculptor Marcel Chauvenet, struck by Medallie Art Co., New York. The artist described his design in a letter to the Secretary of the Smithsonian Institution on May 23, 1969 in the following manner "I have selected for the obverse the theme of the owl, attribute of Athena, the deity of wisdom. I have thought that in her symbolic eyes, the universe in its perpetual development could without cessation find its reflection and at times catch hold of itself. On the reverse I wanted to assemble or rather integrate in a certain rhythm the sun (the force), the magnet (physical sciences), the ammonite (which symbolizes biology and through its form the logic of the world), the man of Leonardo da Vinci which interprets the humanistic sciences, and finally the compass, instrument of measurement without which there is no science." Plaque engraved JAMES BRADLEY/1966. (Bradley served as Assistance Secretary of the Smithsonian Institution.) Choice Uncirculated with exceptional artistic quality. Accompanied by the original black leather case lined in dark blue satin and velvet. (\$4,000-5,000)

March 25, 2008

Dear Friends,

The year 2008 has ushered in yet another benchmark for the popularity and interest level in rare coins and collectibles in the wake of rising bullion prices, falling real estate values and stock market irregularities. With the growth of the collector markets we have reached a point of expansion within our company to better serve your needs in both selling and purchasing arenas.

Steven Davis, longtime associate, cataloger and auction site manager for more than 25 years will be taking over operations of the Rare Coin Auctions branch as Numismatic Auctions, LLC. After 30 years in the auction business, I will be focusing my attention on Americana, Historical Memorabilia, Manuscripts and Postal History. I will continue to catalog consignments for auction and represent Numismatic Auctions, LLC as a consultant.

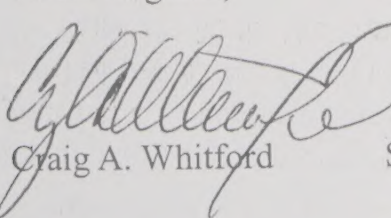

We will be remodeling our current brick and mortar location over the next year as well as introducing a web presence and an entire line of technological advancements to better represent your items at auction. Our competitive rates, terms, sales and services will continue with the same level of professional and respected cataloging. Our upcoming **Summer Mail Bid Auction** is slated for **June 28, 2008**. We currently have a number of fine collections on hand for this sale.

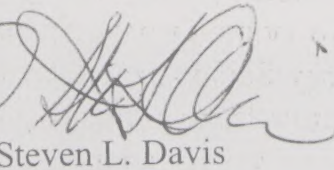

Consignments of World Coins, United States and Canadian Coinage, Paper Money, Exonumia, Tokens & Medals and related items are currently being accepted for our annual fall auction which will be conducted on November 15, 2008. *Our consignment deadline for this exciting fall event is August 1, 2008.*

We are anticipating a tremendous year and there is no better time than the present to consider the sale of that rare single item or collection than in this market which represents a 20 year high. Should you wish to discuss a potential consignment of material please feel free to contact us, you can ship your items via registered mail or arrange for delivery at our offices. We also travel for larger collections or accumulations or in the event that you are unable to arrange delivery due to health or other reasons. Our goal is to better serve you and to attain the highest prices for your Rare Coins and Historical Americana.

Should you have any questions or desire a consultation on the sale of your holdings you may reach us by telephone, email or conventional mail. We look forward to serving all of your collecting needs and we appreciate your continued confidence and years of business.

Warm Regards,

Craig A. Whitford
